

## W7SKY

Sky Valley Amateur Radio Club Minutes -- 17 January 2015

Call to order: 0849 by: Brad KE7EOF

Introductions: 14 in attendance

Secretary/Treasurers Report: Bank Account -- \$ 1417.59

Cash ----- \$ 17.14 (raffle, Patch, Shirts)

Repeater Status: 70 cm - op; 2m link - prob. Needs fan check; 6m - Inop; APRS - Inop  
Net Controller Report: Cybyl N6IBI, 4-6 chk ins. each Tuesday @ 1930

Old Business: Seeking a list of repeater frequencies as a core memory for Club member radios. Kathy KE7CGE ask list be sent to her in .csv format. Mike KE7OKV noted the addition of a 2 meter band restriction for OSCAR satellite use,

New Business: Bruce W7BCW introduced the weather balloon Earth to Sky student program of Dr. Philips. \$500 donation would let us place our patch on a flight with a photo record from near space. Bruce will check further the details of the size. Decision would have to be made at Feb. meeting. Cybyl N6IBI noted a YAESU discount program for a new repeater. Kris N7KDM provided a tour trip report on ICOM Bellevue facility. Ron W7LVG will have a table at the March Mike&Key fest at Puyallup. Annual dues are due. Nominations are open.

Good of the Order:

Card of condolence sent to Dan Morris N7ENE (silent key) family from the Club.

Kathy KE7CGE asked that Club pictures be sent for the web site.

Raffle: 20 tickets Brad KE7EOF had the winning ticket AND received Tom 's K8TOM ARRL Handbook donation.

Adjournment: 0919

Mike, KE7OKV
