Call to order: 08:25 by Robin KD7PPB

Introductions: Dan, Mike, Tom, Bernice, Dave, Robin, David, Bob, and JoAnne

Secretary Report: None

Old Business:

Officers introduction: President- Robin KD7PPB, Vice-President- Valerie WB7TEI,
Secretary/Treasurer- David KB7GFL, Members at Large- Mike KC7IFI and Dave W7AGJ

ARRL club affiliation- we need to have 51% of our club members ARRL members in good standing in order for our club to be an ARRL affiliated club.

Dave Axe applied to WWRA to renew our repeater as part of the coordinated repeater association. The fee was \$10.

Dave reports our 440-repeater non-member activity is up.

#9 on the keypad will force the repeater to ID.

APRS is up and running on our 2 meter repeater.

Bernice made a "Thank you" card for Bert, N7TKO for the equipment he donated to the club auction. All in attendance signed the card.

JoAnne asked about the club getting a mailing list of all amateur radio operators in the area, so the club can send club information flyer to non-members.

New Business:

Dave Axe suggested having a "Talkie" announcing club meetings and or the club's web site on our repeaters.

Robin and Dave went to the Sultan earthquake drill-planning meeting. The exercise will include a simulated dam break on May 20th. Fire, police, DEM observer and Gary Markley WN7YGE will man the EOC. Will need 3 to 4 other HAMS to participate. Robin and Dave have volunteered. The date is May 20th, 8 AM to 11 AM. Contact Dave Axe to volunteer.
