Old Business: Dan has placed the Field Day photos on the web page. Tom viewed the Bob's DVD of the SET and said it was interesting. There were no club members at Gold Dust Days this year and Brad said that Night Out Against Crime was canceled due to lack of funding.

New business: ^{Dan} He also said he has the member of the year plaque and we had forgotten to select a new member of the year. ^{Tom} suggested we incorporate this selection in the March meeting at the same time as elections. Bob shared a DVD on fox-hunting. Dave wants to relinquish the club's FOX equipment. John will take custody of the FOX. Tom mentioned we should have a list of club assets. David KB7GFL shared his visit to the National Solar Observatory located in NM. Also shared was an old radio tube, UX-201A manufactured around 1917. This tube was a gift from Red, W5KZU. Dave gave the club a quick tube numbering history lesson.

Good of the Order: The Salmon Run will be September 20th and 21st.
