Secretary/Treasurer Report: Balance of \$334.69 as of 11-30-2004. Activity of .11 interest. November minutes read and accepted.

Old Business: ARRL information about our club needs to be updated by the Sec/Treas. We discussed our upcoming HAM class. David will check on Sultan SD facilities use. All sub-element instructors have been assigned as follows:

- T1 FCC Rules KB7GFL,
- T2 Methods of Communications W7AGJ,
- T3 Radio Phenomena KB7GFL,
- T4 Station Licensee Duties KD7PPB,
- T5 Control Operator Duties KD7PPB,
- T6 Good Operating Practices WB7BBL,
- T7 Basic Communications Electronics W7AGJ
- T8 Good Engineering Practices W7AGJ
- T9 Special Operations KD7PPB
- T10 Electrical, Antenna Structure & RF Safety Practices N7ENE

New business: Dan reports that QSL.net has locked him out of the web site. Dan had repeatedly sent messages to no avail. It was revealed that on June 21, 2003, the club sent a check for \$100.00 to QSL.net to support the web service. Dan had expressed difficulties working with this web controller in the past. Dan suggested that the club obtain it's own ISP, suggesting that 1and1.com be contacted. The club authorized Dan to contact 1and1.com and advise membership via email. David H. will contact Tom to update the club's brochure if our ISP changes. David H. will bring in a card for Karen, Miss Sky Valley who has been ill.

Good of the Order: Robin stated that duct tape is good for removing warts.
