Reminder that the Sky Valley ARC will meet tomorrow (Saturday) the 20th at 8:30am at the Dutch Cup in Sultan.

Bill Chambers will present information on his years QSLing. Bill has put together a book that reflects his many years in Ham Radio. You will not want to miss this.

Sam Baker will tell of his experiments with Radio Astronomy.

I'll up date you on the AO-40 satellite that is currently in orbit.

Your input is needed regarding the club's status with the articles of incorporation.

See you at the meeting.
