Introductions: David KB7GFL, Dave W7AGJ, Bob WB7BBC, JoAnne KD7PVX, Elizabeth Boggs (no call) Bob and JoAnne's daughter, Tom WB7NDO, Bernice WB7ALA, Robin KD7PPB

Secretary/Treasurer Report: \$653.18 as of April 30, 2005 Activity: Deposits \$274.95 and .16 interest.

Old Business: David gave a report about our ongoing Ham class. Dave is in the process of having the VE's give the test on June 1, 2005, as requested by the class. After the ARRL Field Day rules were reviewed and we discussed the club's participation in the 2005 Field Day on June 25, 11:00 to 17:00 local. We discussed the type of station we felt we could successfully support, (2A). This will be composed of a VHF/UHF and a HF station. We will operate at Gateway Park in Gold Bar. A list of equipment was made and who would supply the items. Further revision will take place at our June meeting. Tom and Bernice will purchase Ribs etc. The club will pay for the cost of the food. Tom will submit the receipt on Field Day. Dave and David will ops check the club's generator. Dave stated the club's 70 CM repeater is not operating at an optimum level. Dave and David will troubleshoot the repeater.

New business: The club was presented a breakfast bill, in the amount of \$4.34, that was unpaid following our April meeting. Miss Sky Valley was very gracious and tactful. The club voted to pay the debt. There is the possibility Robin will be gone for the June meeting.
