

NET CONTROL SCRIPT

To Link the 2m and 70cm during net time > 4444

Please announce the upcoming Net by 19:15

This will give us assurance Net Control is in place and ready to go.

Please announce "The Sky Valley Amateur Radio Club Weekly Net will begin at 19:30 hrs local time."

Be sure to acknowledge each one that reports in and a 'signal' report would be nice.

QST QST QST

This is the W7SKY Sky Valley Amateur Radio Club Weekly Net for <date: _____>. I am <your name: _____>, <your call sign: _____>, and shall be the Net Control Station for this session.

The purpose of this Net is to check equipment readiness, and practice radio operations, while at the same time provide the exchange of information of interest to the amateur radio community.

<Let repeater drop momentarily>

This Net meets every Tuesday at 1930 hours local time on a frequency of 444.125 MHz and is linked on the 2meter side on 145.650 MHz simplex. Both frequencies require a 103.5 Hz sub-audible tone. Please note that if a repeater failure should occur during net time, we shall meet on the 145.650 MHz simplex frequency.

<Let repeater drop momentarily>

This is a directed Net. All stations must use their call sign for recognition by Net Control. Please do not relay unless asked to do so. If you need to break into the Net with emergency traffic, give your call sign only and wait to be acknowledged by the Net Control Station.

<Let repeater drop momentarily>

Be advised that stations with priority or emergency traffic shall be handled prior to continuing the Net. Any station with priority or emergency traffic at this time, please come now.

<Let repeater drop; pause and listen>

This is Net Control Station <your call sign: _____> on the w7sky repeater system.

Please stand by for Member check-in. Listen for your call sign and respond with your call sign, name, location, if you are using battery power and indicate if you have any traffic. Hold your traffic until later direction from Net Control. "Missed" Members, Visitors and Relays will be called for after the Member Check-in.

<Let repeater drop, pause and listen>

*******<START READING OFF THE MEMBER CHECKLIST >*******

<AFTER THE CHECKIN'S>

That concludes the Members List. Now calling for LATE or MISSED Member check-ins. Late or missed Member suffixes Alpha through Mike, please come now.

<Let repeater drop; pause and listen>

Late or missed Member suffixes November through Zulu please come now.

<Let repeater drop; pause and listen>

Now calling for Visitors. Visitors respond with your callsign, name and location.

Visitors please come now.

<Let repeater drop; pause and listen>

Now calling for stations with listed traffic or announcements at this time, starting with:

(**REFER TO CHECKLIST**)

Is there any unlisted traffic or announcements?

This concludes the Net. Thank you all for participating in the Sky Valley Amateur Radio Club Net. Further information on this Club can be found on our Website at W7SKY.org. This Net is closed at <24-hour format time: _____> hours local time and returning the frequency to regular amateur use. This is Net Control Station <your call sign: _____> on the w7sky repeater system. 73's!

To cancel the link of the 2m and 70cm connection at conclusion. (5555).

Read each callsign and acknowledge each station by first name **Net Control:** **Date:**
