

Sky Valley Amateur Radio Club Minutes  
October 16, 2004

Call to Order: 08:20 by Robin

Introductions: Robin, Dave A., David H., Tom, & Bernice

Secretary/Treasurer Report: \$387.32, .29 interest and an expense of \$52.85 for ARRL manuals

Old Business: There was no formal September club meeting. Bernice brought in samples of the club brochure. All agreed she had produced a fine product. Robin will take some of the brochures to ALF store in Arlington, and Dave Axe will take some to the Snohomish SAR group. Dave A. discussed two factors that have prevented the painting of the clubs' container, rain and type of paint on the container.

New business: Our club needs to plan a couple of programs, so that we can have an interesting and informative planned activities. This is to be firmed up prior to mail distribution of the clubs brochures.

Good of the Order:
